1. Review your M State	(DARS) located within eServices to see what degree requirements remain for your
program of study.	

2. Meet with your M State advisor to plan for your completion of your degree.

Courses at your transfer College/University must be <u>equivalent</u> to the program requirements remaining for your M State degree.

Use transfer resources such as <u>Transferology</u> to verify course equivalencies.

3. Follow the <u>Transfer Out Timeline</u> when transferring to your next institution.
