

SUCCESS REPORT

eCampus in the High School

Spring 2019

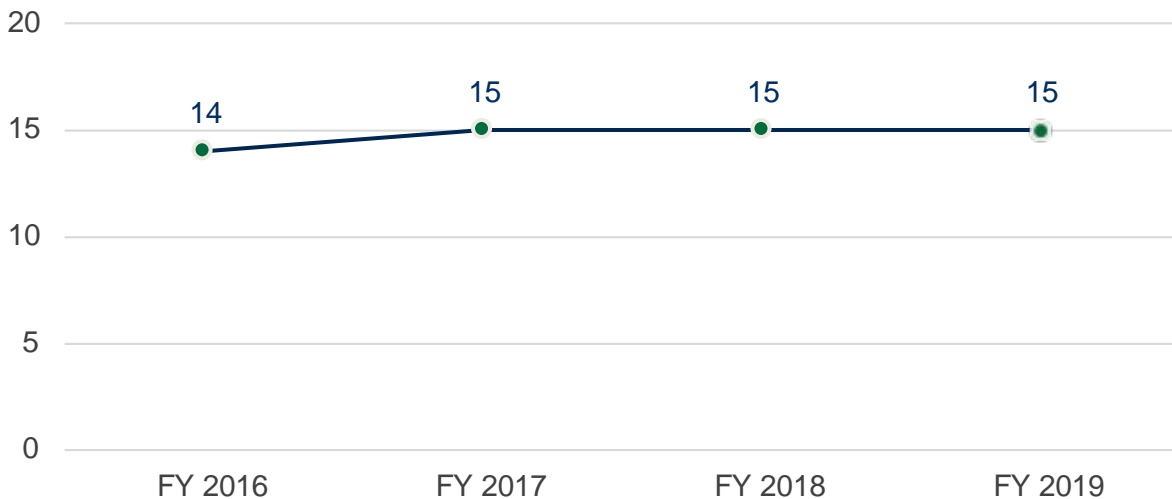

MISSION Minnesota State Community and Technical College specializes in affordable and exceptional education, service, and workforce training. We welcome all students and engage them in shaping their futures and their communities.

VISION A success story for every student. **VALUES** Integrity. Inclusion. Innovation.

History of Quality Partnerships

In FY19, M State is partnering with 15 districts in west central rural Minnesota to provide online dual credit courses in the high school classroom, taught by M State faculty. The number of K12 partnerships has continued to grow over the years without compromising the quality or integrity of the program.

Enrollment by Course

eCHS courses are chosen to meet various Minnesota Transfer Curriculum goal areas and offer an array of access to various general education and technical course credits.

Spring to Spring Headcount

eCHS served over 200 students spring 2019. The program continues to experience a healthy growth in enrollment.
