

MINNESOTA STATE COMMUNITY AND TECHNICAL COLLEGE 2021-22 ANNUAL PLAN

Mission | Vision | Values | Pillars

PILLAR I STUDENT SUCCESS

Develop and begin phased implementation of M State-branded guided learning pathways with a goal of equitable student outcomes by 2030.

1. Academic Schools - Building School Identity and Meta-Majors¹
 - a. Develop a shared vision and identity for each academic school
 - b. Develop a list of meta-majors by school
 - c. Determine key foundational courses by meta-major
 - d. Examine data by meta-major to inform key decisions
 - e. Begin to determine content in key meta-major foundational courses to help onboard students
 - f. Determine college-wide approach to Credit for Prior Learning
2. Building a Holistic Approach to Advising
 - a. Determine key requirements for advising/financial aid implementation in Salesforce, inclusive of professional and faculty advisors
 - b. Develop an advising model
3. Student Onboarding
 - a. Implement Salesforce for case management of prospects
 - b. Identify a procedure for transitioning new students from the enrollment team to academic and student affairs staff
 - c. Develop and implement a student intake form to collect information about potential student obstacles and to align resources with student needs, with a soft launch in Spring 2022
 - d. Prepare to pilot a First Year Experience (FYE) in a variety of formats/modalities
