Certification of Medical Clearance

To M State Nursing department:

This is to certify that _____ Student ID# _____

Has been under medical care of _____ from _____ to _____.

S/HE is able to safely perform the following abilities (Initial what s/he is able to perform)

& R J Q L W L Y H 3 H U F H S W L R Q

_____ **1. Is able to perceive events realistically, to think clearly and rationally, and to function appropriately in routine and stressful situations**

_____ **2. Is able to independently and accurately assess or contribute to the assessment of a diet**

Example Can identify changes in the diet's health status and prioritize multiple nursing activities in a variety of situations

& U L W L F D O 7 K L Q N L Q J

_____ **1. Is able to learn and reason to integrate, analyze and synthesize data concurrently.**

_____ **2. Is able to solve problems rapidly, consider alternatives, and make a decision for managing or intervening in the care of a diet**

Example Is able to make effective decisions in the classroom and clinical setting
will be able to develop/contribute to the nursing care plans accurately reflect diet concerns

O R W R U 6 N L O O V 0 R E L O L W \

_____ **Possesses ambulatory capability sufficient to maintain center of gravity when met with opposing forces in lifting, supporting and/or transferring a diet**

Examples Able to lift 25 pounds, safely perform CPR (able to apply 25# pressure), position diets, reach, manipulate and operate equipment/instruments, move lift diets in bed, propel wheel chair; bend in all directions within normal range of motion

\$ F W L Y L W \ 7 R O H U D Q F H

_____ **Ability to tolerate lengthy periods of physical activity.**

+HDULQJ

_____ ~~Has auditory ability sufficient to hear normal conversation and assess health needs~~
