COURSE FEE

$1395: This includes the initial criminal background study fee and liability insurance. A criminal background study will need to be initiated by the college prior to starting clinical. A form is mailed to the student upon course enrollment to gather data to begin this process. This study is initiated by the college and completed through the State's Department of Justice. There will be an additional approximate $9.10 fee that the student will pay at the fingerprinting agency. Further instructions will be emailed to the student regarding the background study process and completion deadline.

Course fee is payable by cash, check, or credit card. Send payment with application form. Instructions on how to gain access to the online course will be emailed to the student.

NURSE'S LIABILITY INSURANCE

Nurse's liability insurance is included in the above fee; however, if not acceptable by the chosen clinical site, a student will need to purchase a separate policy prior to beginning the clinical experience. Coverage must be for $2,000,000 per occurrence/$6,000,000 per aggregate.
